Founder: Lori Ann Moeszinger, Chief Executive Officer, The Ridge Publishing Group
Founder: Eric Moeszinger, President, The Ridge Publishing Group

From the rustic tranquility of *The Ridge*, a compelling narrative was born, a journey of grit, passion, and faith.

“I’ll never forget the day I felt that calling,” Lori Ann Moeszinger begins, her voice echoing a hint of nostalgia. “Ever since my tender years, I could feel a pull towards something bigger. Something divinely orchestrated. A story written by the hands of the Almighty God.”

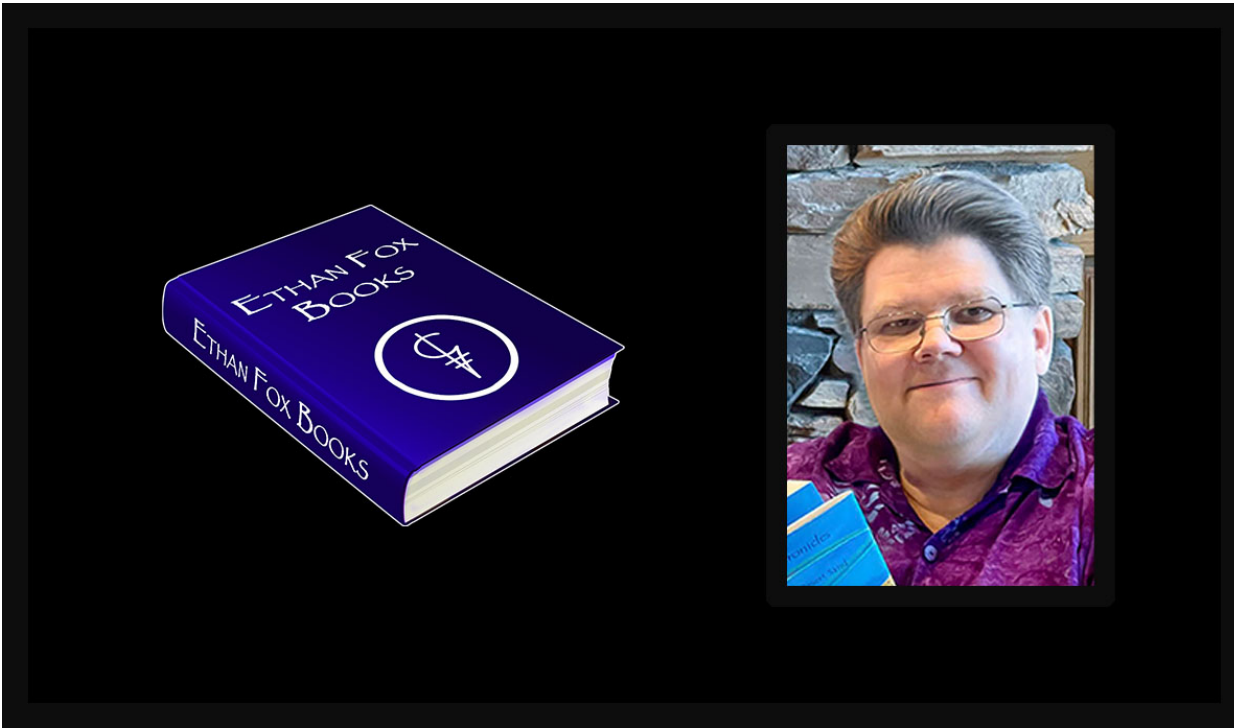

But like any great narrative, there were trials. Lori’s life unfolded as a series of chapters filled with challenges, personal battles, and moments of despair. “Three marriages, three amazing sons, and an unimaginable health scare that saw me through four surgeries in just nineteen days,” she recalls, her eyes brimming with emotion. “In 2007, there I was, lying on what could’ve been my deathbed, fervently praying, begging God to let me stay, to let me see my teenagers blossom into adults, and to let me fulfill the mission He bestowed upon me so many years ago.”

She pauses, taking a deep breath, “I lived, by His grace. Yet, it took me another nine years to truly find my path.”

The air turns palpable as Lori dives into the heart of her story. “The Bible had always been my anchor, my guiding light. Yet, I often felt the translations available were layered in complexities and volume. My vision and God’s calling was to delve deep into the scriptures, extracting the essence and presenting it in a modern way—in a manner that would resonate with people, young and old, from all walks of life.” She leans in, “Imagine the Bible narrated chronologically, every event unfolding seamlessly, like a divine story waiting to be heard.”

She leans back, her face illuminated with intensity, “It was 2016 when I fully surrendered to God, and would make good on that promise I made to Him. From that spiritual reawakening, *The Ridge Publishing Group* was born. Its mission? To guide souls—a million of them—towards a deep, personal connection with the Lord Jesus Christ.”

Lori’s journey, a testament to resilience, faith, and purpose, has culminated in a venture that seeks to touch lives, enlighten minds, and uplift spirits. *The Ridge Publishing Group* isn’t just about books; it’s about a woman’s undying faith, her divine mission, and the countless souls she aims to inspire.

In the serene neighborhood of Sacramento, California, where rustic charm meets the spirit of exploration, Eric Moeszinger, better known by his pen name E. L. Seer, began his journey. (The “E” is for Eric and the “L” is for Lori and the “Seer” is for obvious reasons.) The tales of Ethan Fox Books, tinged with glimpses of Eric’s life, reveal a tapestry of memories, dreams, and aspirations.

Eric’s early years were marked by endless adventures. The backdrop of Sacramento, with its rich foliage, winding creeks, and abundant wildlife, was a treasure trove for a young boy’s imagination. Frogs, lizards, and the occasional snake became companions, fueling tales that would later find echoes in the adventures of Ethan Fox.

Growing up in the shadow of an academically gifted elder sister wasn’t always easy. Constant comparisons led to a quest for individuality, ultimately culminating in a transformative high school experience at Encina High School. Here, Eric not only discovered his distinct identity but also nurtured a budding talent—writing.

From high school antics and rock music endeavors to mastering gibberish talk, Eric’s life was a rich tapestry of experiences. These memories, like the whimsical gibberish talks, found their way into his literary creations, most notably in the character Irvin McGillicutty.

Academically, Eric soared, acquiring an engineering degree from the University of California, Davis, and later a master’s from Sacramento State University. Silicon Valley beckoned, and Eric answered the call, stepping into the world of engineering. Yet, amidst the technical schematics and blueprints, a storyteller’s heart beat strong.

Love entered Eric’s life in the form of his wife, Lori. Their paths had crossed multiple times, in serendipitous encounters that seemed to be the universe’s way of weaving their destinies together. Under Lori’s gentle encouragement, Eric embarked on a new journey, one that would lead to the launch of the Ethan Fox Books series.

In Eric’s own words, “the story is far from over.” The dynamic duo of Eric and Lori continues to inspire, innovate, and ignite imaginations worldwide. Their commitment to excellence, transparency, and giving back ensures that the Ethan Fox Books original series will resonate with readers for generations.

Lori Ann Moeszinger—the visionary behind The Ridge Publishing Group—is a storyteller at heart, crafting narratives that resonate and empower. She writes under the names: Lori Ann Moeszinger for her biblical and personal pieces; Ann Patterson for her legal expertise pieces; L. A. Moeszinger for her AuthorsDoor and blog pieces; and a handful of others for the Urban Chronicles Publishing House and The Manhattan Diaries series. A former lawyer turned author, publisher, and creator; she inspires change through storytelling—passion drives her pen, crafting tales that inspire action and faith.

Eric Moeszinger—the creative force behind the enchanting world of Ethan Fox Books—is a storyteller whose tales are steeped in the essence of his own life. Writing under the pen name E. L. Seer, the “E” representing Eric and the “L” a nod to his beloved wife Lori, Eric’s literary journey began in the serene neighborhood of Sacramento, California, where rustic charm blended seamlessly with the spirit of exploration. From Sacramento roots to engineering, his journey culminates in inspiring stories that will resonate with readers for generations to come.
